A Message from the Chairman, Cllr Mrs Denise Fearnley

Well, the time has come for me to step aside from the position of Chair of the Council and hand over to my successor.

I would like to thank everyone who has helped me during the past year. Without their help I would not have managed. At times it was very exhausting but very enjoyable. It has been an honour and a privilege for me to serve as Chair so I do thank my fellow councillors for having faith in me to do the job.

I also really want to say a big thank you to our office staff. They work so hard not only in assisting the Chair and all the other councillors, but work tirelessly for you in relation to all Parish matters.

COMMITTEES OF THE COUNCIL

Finance & Premises Committee

The Finance & Premises Committee is responsible for monitoring the financial management of the Council and making prudent recommendations to the Council about financial matters. It is also responsible for making grants to local groups who are the very lifeblood of our community and who provide invaluable services to residents of the Parish. Most are run entirely by volunteers. They work with the very young through to the very old and represent the arts, sports, health and community cohesion. In the financial year 2008/2009 we have made more than £50,000 of grants which have delivered real benefits to our Parish.

Environmental Planning Committee

Meetings are held twice a month to examine the many planning applications received via the City Council for the Parish area and to consider their impact on the local environment. The Committee always pays attention to residents' concerns, and wherever possible supports objections to plans which adversely affect the character of the area or threaten the Green Belt. Plans may be inspected at the Parish Council offices by appointment between 9 am—12 noon Monday—Friday. Plans can also be viewed on-line by going to www.sheffield.gov.uk and then following the link to Planning Applications on-line. In addition the Parish Council monitors all licensing applications in the Parish.
