Welcome to our Newsletter

We are the Friends of Ecclesfield Park, formerly known as the Revitalising Ecclesfield Park and Pevilton Group. We are a Voluntary Community Group which was formed by local residents in April 2008.

The aim of the Group is to create a focal point for the expanding village ensuring a safe, fun and tranquil environment for sports, leisure and other community activity.

Purpose of the Group

We continuously strive to improve the facilities, resources and provide activities in Ecclesfield Park by working closely with Sheffield City Council Parks Dept. and applying for funding opportunities for the benefit of all Park users.

Some of the improvements we have made in the Park:-
- Replaced damaged and diseased trees
- Installation of new seating and woodland benches
- Increased the number of waste and dog mess bins
- Planted thousands of spring bulbs throughout the Park
- Renovated the old Jeffcock Fountain area with seating
- Introduced new equipment in the Children's playground
- Regular litter picks and tidying paths
- Created a Community Garden

Creating the Community Garden

The Community Garden has been developed on the old tree nursery site within the Park to provide a resource that the community can use for growing. The Group plant, maintain and harvest fruit, vegetables and flowers throughout the year along with organising and facilitating events with local community groups and schools.

Ongoing Activities in the Park

We organise and facilitate activities in the Park for both children and adults throughout the year e.g. Easter Egg Hunt, Autumn Crafts, Spring bulb planting, Halloween activities, Litter picking etc.

We are continuously raising money to bring more events and activities to the Park for everyone’s enjoyment (see over page).

Come along and join in the fun!
Ecclesfield Park
