**64.1. Ecclesfield Gatty Memorial Hall**

Members of the Trust had attended the meeting and explained their reasons for their grant application. A small area of flat roof needs repairing as they have experienced several leaks over the past year and it is getting dangerous, as plaster has fallen off the ceiling. The Committee members enquired who owned the building, to which they replied that they did not know, but said that it is a Charity. Members requested that the Parish Council be supplied with the registered Charity Number by the Group and that the Clerk will then be able to write to the Charity Commission to enquire who the owners are. Members also asked the Group who else they had applied to for funding and they agreed to let the Finance Committee have a list of people who they had already applied to.

**(Proposed by Cllr Mr A Hooper  
Seconded by Cllr Ms V M Bowden)**

That the group be informed that once they have provided further information as to the ownership of the building and also obtained three quotes for the repair of the roof, then the Committee would be happy to see them again when further details are to hand to consider their application.
