The residents who had sent their objections to the City Council attended the meeting to voice their concerns.</p> <p>The Committee informed the residents that the application had previously been approved by the City Council and the present application was merely to extend the time limit for implementation of the proposed development. However the Committee felt that the following concerns should be taken into account when the City Council Planning Department make the decision:-</p> <ul style="list-style-type: none"> <li>Ø Loss of privacy to surrounding properties.</li> <li>Ø The proposed development is within the Grenoside Conservation area.</li> <li>Ø Road safety issues and safety of pedestrians.</li> </ul> <p>The Committee requested that the Clerk write to the Head of Planning at Sheffield City Council asking that the comments be</p>	<p>Clerk to write to the HOP at SCC</p>

Whilst the comments were all in favour of the wall being kept, which had already been constructed, they did have concerns to the height of the wall and the visibility and safety aspect when reversing from their drives.</p> <p>The Committee requested that the Clerk write to the Head of Planning at Sheffield City Council asking that the comments be taken into account when making a decision about the retrospective planning permission. The Committee also requested that the time limit be adhered to as one of the comments stated that this had been a “long running issue” over many years.</p>	<p>Clerk to write to the HOP at SCC</p> <p>Clerk to write to the HOP at SCC</p>

No items of correspondence needed a response they were purely for information purposes.</p> <p>Clerk brought to the attention of the Committee a query about an up to date list of Section 106 monies. Cllr Mr Alan Hooper as Chair of the Northern Community Assembly confirmed that he would provide an up to date list as soon as possible.</p> <p>Cllr Mr Alan Hooper also presented the Committee with detailed plans of the road works, which are due to commence in Ecclesfield for a period of 16 weeks.
