Charity Champions Paces Sheffield

Charity Champions are individuals who help to motivate and engage others in fundraising and awareness raising activity to achieve mutually beneficial, fulfilling and rewarding relationships between the people they know and our charity.

What does being a Charity Champion involve?

- Getting to know Paces and the amazing work we do
- Chatting about us to colleagues, peers, friends and family, ensuring that as many people as possible also become aware of the work we do
- Championing support for our charity, e.g. suggesting fundraising ideas, or thinking of ways to raise Paces’ profile
- Acting as the first point of contact for colleagues, peers, friends or family who may wish to get involved with Paces, e.g. to organise a fundraising event, or perhaps to donate money to our charity
- Encouraging people to raise as much money as possible over the course of the year
- Meeting with fellow champions on a regular basis – swapping ideas, sharing success and getting to know each other better
- Keeping in contact with our charity to let us know how everything’s going and how we can help
- You will have a dedicated point of contact who will provide tips, ideas and the materials you may need to get going and keep motivated!

Did you know?

- One in every 400 births results in cerebral palsy
- Conditions of a neurological origin are the greatest cause of disability amongst adults in Sheffield
- Paces is the only provider of Conductive Education in Yorkshire and the Humber
- Conductive Education is an holistic system of rehabilitation that can benefit both children and adults

What are the benefits

- Develop new skills in areas such as communication, motivation, team-building, events and fundraising
- Build relationships and networks across our charity, and raise your profile within your community
- Feel rewarded... and have fun whilst helping raise vital funds for a fantastic cause
- The opportunity to visit Paces and see first hand the impact of your support.

- email info@pacesheffield.org.uk or
- Call in to Paces Campus to speak with one of the team.

Visit www.pacesheffield.org.uk to find out more about our charity.
Paces was founded by parents of children with cerebral palsy in the early 1990s, and moved on to the former High Green Secondary School site in 1997.

The charity was initially established to run a school for children up to the age of 18; but more recently, we have extended our facilities to provide specialist support to young adults with Cerebral Palsy, and we also run special programmes for over 18s who have survived a stroke or have a diagnosis of Parkinson’s.

We are currently seeking support for the following projects:

- Paces Early Years Outreach; Specialist interventions for under 3s and their families at home.
- An inclusive play area; that enables children with impairments to enjoy the experience of play.
- Paces Families; a series of workshops intent on developing specialist childcare skills, increasing confidence and reducing social isolation.
- Paces LTV; a shop where young people sell the products they make.
- Paces Adults with neurological conditions; sustainability of subsidised supported programmes.
- Paces Summer School; extra-curricular activities for Paces children.
- Paces Bursary; a safety net for families whose Local Authority is slow in providing the necessary funding for their child.

We would love to keep you updated about the work we’re delivering here at Paces.
Please provide us with an email address or postal address; if you are happy for us to contact you in this way.

If you would like to make a donation to support the valuable work we do, please ask for a donation form.
