Northern Community Assembly February Half Term Activities

Stocksbridge, Stannington,
Ecclesfield and High Green

Monday 15 February – Friday 19 February 2010

The activities overleaf are open to children aged 8 to 16

Please be aware these are open access sessions – Children and Young People are free to join in or leave the site of an activity when they choose

Children under 8 are welcome at all sessions but a responsible adult over the age of 18 must accompany them

Open access - Activity Sheffield asks that all parents/carers advise their child(ren) to remain with our staff until they are told it is the end of the session and that suitable arrangements are made by parents/carers for their child (ren) when the session has ended. Although we cannot stop children leaving at anytime we would strongly encourage that they do not do so
