Thank you to Stuart Whiteley for this photograph of the recent High Green in Bloom, Party in the Park event which took place in Mortomley Park. The rain held off for the day and it was a great chance for the local community to show their support for local volunteers.

Calling all ex 105th High Green Scout Group Members

The Queen is not the only person celebrating their 90th Birthday in 2016 - 105th High Green Scout Group based on Pack Horse Lane, High Green, is celebrating its 90th Anniversary this year!

We are holding a Celebration/Open Day on Saturday 2nd July, 2pm to 6pm at the group’s headquarters. We would like to invite current and former Leaders, Scouts, Cubs, Beavers, friends and supporters, to join us on the day.

There’ll be a BBQ & refreshments, fun activities, and a chance to reminisce with a display of archive photographs. You’ll also be able to see what our sections have been up to recently, and what our plans are for the future.

Hundreds if not thousands, of young people have taken part in new adventures, experienced the outdoors, interacted with others, grown in confidence and had the opportunity to reach their full potential through Scouting in High Green.

Please get in touch via our Website, Facebook or Twitter pages or call 01142881520 to let us know you are coming, and we hope to see you at our Celebration Event!

Wortley Road Resurfacing

After much campaigning by High Green Action Team the council have acknowledged that the recent Streets Ahead workmanship on Wortley Road is unacceptable. Initially the worst parts of Wortley Road and Thompson Hill will be patched up, until night closures can be arranged. The Highways Department will arrange for 800mm to be dug out to enable it to be sub-based and then resurfaced which should assure a long lasting hardwearing road.

Football Centre due to open in July

High Green have been fortunate to have millions of pounds poured into our community over recent months. This month see’s the opening of the new FA football facilities at Thorneliffe playing fields Packhorse Lane. There are two floodlit artificial pitches as well as two new grass pitches. There is a brand new pavilion building containing changing facilities and teaching class rooms. The aim of the project is to encourage grassroots football and bring more home-grown talent into the game at a national level. In the not too distant future it could be a High Greener scoring the winning goal for England!

Help High Green in Bloom win £500

When you visit ASDA ask for your green token per bag of shopping to put in the High Green in Bloom box - Good luck HGiB.

Hairdresser’s near you!

Barbeta’s has been the first and only walk in barber shop in the local area for 15 years. Founded by Alfredo Barbeta, the salon is his seventh family run business established in Sheffield. Situated on the High Green roundabout on Jeffcock Road, Barbeta’s is managed by his youngest daughter, Luciana Barbeta.

The hairdresser herself has more than 20 years of experience in men’s hairdressing under her belt, with many customers of all age groups walking through her door.

The barbershop is open every day Monday and Tuesday 10:00am-17:30pm, Thursday’s 11:00am-18:00pm, Friday’s 10:00am-18:00pm and Saturday’s 09:30am-16:00pm. Opening hours exclude Wednesday’s and Sunday’s. Luciana can fix you up with a hairstyle on trend or low maintenance for an exceptional price. Visit her today!

Fitness and Fun

Fitness and Fun is an opportunity for local people to enjoy keeping fit, playing games & sport in a relaxed and friendly atmosphere together.

There is usually an organised keep-fit session followed by games such as badminton, table tennis or boccha. Afterwards there is the option of having lunch or a coffee together in the café. The first session is free and after that it is just £2 per per week.

To join just turn up on Thursday mornings at 11am until 1.30pm at Paces Campus, if you go to the Café they will point you in the right direction. You are assured a warm and friendly welcome.

Supported Dementia

If you are caring for someone with dementia there will be two information sessions held in High Green in the coming months.

The first session will be held on Monday 25th July and will give you a chance to understand dementia and how it can affect the way someone may communicate and how best to support someone living with dementia.

The second session will be held on Monday 8th August and gives carers a chance to look at how someone’s brain is affected by dementia and why they may react the way that they do.

The sessions are run by Making Space and they can provide support for people with Dementia whilst you attend the sessions.

Both information sessions are from 2.30pm – 4pm and will be held at Kinsey Road Sheltered Housing Scheme, Kinsey Road, High Green, S35 4HP

Quick and Easy Recipe

Steak in Red Wine

Serves one

1 tbsp Olive Oil
200g Sirloin or Rump Steak
1 Small Onion, sliced
1 Clove Garlic, finely sliced
Pinch of Dried Oregano
1 Glass Red Wine
200g can Chopped Tomato

Heat the oil in a pan and brown the steak for about 2 minutes on both sides. Remove the steak and fry the onion, garlic and oregano for about 5 minutes, until golden.

Tip wine and tomatoes into the pan and simmer for about 10 minutes until thickened. Slice steak into chunks and add to pan with any juices. Simmer for a few minutes and serve with pasta/potatoes/chips and some vegetables.

Young Journalist - Benedict Walton-McBain

The High Greener are pleased to present our budding new journalist. Benedict is 11 years old and is a keen writer, he has chosen to give our readers his perspective on the opening of High Green’s new Leisure Centre.

In the Easter Holidays, my family and I received some great news! With weeks to go until the opening of the new Thorncliffe Health and Leisure Centre, it was a huge surprise to find out that my sister had won a “Design a Poster” competition – and we were given a free family membership pass!

Since the centre opened, there have been great reviews of what it’s like. It is a fantastic place with lots to offer for everyone. Personally (as a young person) I believe that it encourages young people in High Green to do more sports and enables them to have a chance at doing lots of classes and activities that they might not have tried before. There is also a high tech gym for adults and young people alike (for use at different times). I recently completed my teenager induction training for the gym – you have be at least 11 years old – and it was absolutely amazing. The staff are friendly and helpful; there is a wide range of equipment to choose from, so you can do the exercises that will help you the most. The machines are great; they include treadmills, rowing machines, weight lifting and cycling machines. My induction instructor showed me how to use all the equipment safely, and gave me tips on what type of exercises to do so I didn’t hurt myself. Of course, I’ve missed something out - the swimming pool; the swimming pool is a great place to socialize with friends and meet up during the week end. The life guards are nice and helpful and on some days they even have floats out in the pool!! Plus, to go with the swimming pool, the changing rooms are spotlessly clean. Also upstairs they have loads of fun groups and classes that you can attend if you wish, although you have to be over 16 for some of these. Altogether I would rate Thorncliffe Leisure Centre as five stars out of five from a young person’s point of view. If you haven’t been yet, book a visit.
