## Sport Camps

Activity Sheffield asks that all parents/carers advise their child (ren) to remain with our staff until they are told it is the end of the session and that suitable arrangements are made by parents/carers for their child (ren) when the session has ended. Although we cannot stop children leaving at anytime we would strongly encourage that they do not do so.

## Open Access sessions/Age Policy

Please be aware this is an open access session - Children and Young People are free to join in or leave the site of an activity when they choose. Children under the age of 8 are very welcome but a responsible adult over the age of 18 must accompany them at all times.

Sessions in blue however are strictly for children aged over 8.
